

Module 9 Math Videos (7th grade accelerated)

9.1 Circumference

[Finding circumference](#)

[Using circumference](#)

9.2 Area of Circles

[Area of Circles](#)

[Finding the area of a circle](#)

9.3 Area of Composite Figures

[Finding the area of a composite figure](#)

[Using area to solve problems](#)

9.4 Solving Surface Area Problems

[Surface area of prisms](#)

[Finding surface area of a prism](#)

[Finding surface area of a composite solid](#)

9.5 Solving Volume Problems

[Volume of a triangular prism](#)

[Volume of a trapezoidal prism](#)

[Volume of a composite](#)
